

Memphis Workcamp

Memphis Workcamp is a service project held every summer in which teenagers and adults paint houses for people who cannot afford to do it themselves. A crew of about fifteen people from different churches and cities works together to scrape and paint one house in four days. Since 1989, 839 houses have been painted by Christian teens and adults at Memphis Workcamp. The Church of Christ at White Station serves as our home base, which is located at 1106 Colonial Road in Memphis.

Where do participants work and what do they do?

They work on a home that needs painting. This may include scraping, caulking, minor repairs, cleanup, or yard work. Some workers will be on “roving crews” that do smaller projects to spruce up an entire street. Most homes are owned by elderly people living on limited incomes.

Will you keep my teen safe?

All sites are inspected by adults and the Memphis utility company, MLG&W. First aid is available at each site. Safety rules are strictly enforced. Water is available at each site. Our policy is always “safety first”.

What should my teen wear?

Dress modestly. For the daytime, long shorts and t-shirts are fine. It will be hot, and one will get paint on his or her clothes. Girls: Please do not bring any revealing tank tops or short/SOFFE-type shorts. Guys: Shirts are required. Workers will go home and change in the afternoons, so bring casual clothes for the night sessions.

What should my teen bring to Workcamp?

Bring a Bible, a 4” paint brush, a ladder, and a positive attitude. Other items: sunglasses, hat, water bottle, sunscreen, and work gloves. Each worker will need to bring a sack lunch and drink with them each morning.

What will it cost?

Your youth leader will communicate to you the total price of the trip. Every teenager, college student, and adult must register by filling out an application. **All workers at Memphis Workcamp must have medical insurance.**
